Chapter 0 - What Goes Around Comes Around

2

0 - What Goes Around Comes Around

(Contains Inflation, Rape, Torture, oviposition, Birth) Mia was an awkward Filipino teen with golden brown skin. She was over six feet tall, was waif thin, had small A-Cups, a small compact ass, and a mouth full of metal. She was clumsy and an outcast who had few friends at school. Mia was also a closet lesbian with a giant crush on the head cheerleader Tara.

Tara was an adorable, girly blonde with large C-Cups, toned abs, and Mia's favorite, a large round bubble butt. Her ass was a work of art and she constantly teased Mia by wearing yoga pants, short shorts, and tight jeans. One day Tara sat in front of Mia in class, wearing skin tight jeans that, when she sat down, showed the top of her ass crack. Mia's nipples got hard just looking at it and she decided that she would come out to Tara, maybe she was a lesbian too, or just wanted to experiment. This plan backfired however, and Tara, who was also known as a gossiping bitch, told the whole school about how the nerd Mia tried to hit on her. Tara didn't put her down easy either, she told the quivering teen, who had barely worked up the courage to ask her in the first place, that she wasn't into anybody without a

dick, especially a dork like Mia. Mia was full of embarrassment and rage at her rejection, and went home with one thing on her mind, the wish that she had a dick. When Mia woke up from her sleep she wasn't in her room at all, instead she was in a black void with nothing but shadows around her. Out of the shadows emerged a young women, with red hair and pale skin, who was nude with a firm ass, large D-Cups, and had a rather large ten inch cock instead of a pussy. She came to Mia with a proposition: Mia gets her dick if Mia gives her a child. The strange women told Mia that no matter who she fucked they would become pregnant with her seed and carry her child in them. She told Mia that the child would not be of this world, it would be a creature much like a snake, a large one. When Mia asked why a snake the girl devilishly said she had some people to tempt out of paradise, whatever that meant. Mia agreed to the deal and with a snap of the women's fingers Mia woke back in her bed complete with a large ten inch dick that she wanted to try, in fact she felt compelled to try, as if her new appendage demanded it.

So Mia waited until Tara was alone in the shower room at the end of the school day, ensuring no one would interrupt them.

"What are you doing here stupid? I told you I am not into girls." Tara meanly said, covering herself with a towel before trying to leave the shower, but Mia quickly blocked her way.

"Actually you said you weren't into anyone without a dick." Mia said with confidence, dropping her pants to reveal her massive member to Tara, who simply stared in amazement.

"You're a dude?" Tara asked to which Mia shook her head no.

"I am a lesbian with a new found gift, and I decided I'm using it on you." Mia said blushing, her dick getting hard as Tara backed away in fear.

"No stop, I'll scream." Tara warned, backing herself into a corner.

"No you won't." Mia said lustfully, holding up a roll of duct tape and rope, before forcing herself on the girl, taping her mouth shut and tying her hands together behind her knees, forcing Tara to bend over and

stick her teen sex and large bubble butt high in the air.

"Oh god you are so hot." Mia said, unable to contain her excitement as her dick was now fully erect.

Tara stood shaken in fear as Mia got behind her.

"I've stared at this ass so much, it really is perfect you know." Mia told the shaken girl, who was looking back at Mia with her baby blues full of despair, tears were already forming in the corners of her eyes.

"I've been given this dick as a present if you are wondering, no matter who I fuck they will become pregnant with a snake or something, can you believe it?" Mia taunted the girl, who was at this point crying gently.

"I don't want to knock you up, and you don't want to be pregnant either right Tara?" Mia asked the girl, who reluctantly nodded in agreement, not sure what Mia was talking about.

"Good, then it's settled, I am sticking it in your ass." Mia said laughing, as she ran her cock up and down the crack of Tara's untanned ass, searching for her hole. Upon hearing this Tara panicked, and desperately fought to free herself, before a pressure on her unprepared ass made her scream into her gag, she had never done anal before after all. Mia shushed the girl and ran her fingers through her beautiful blonde hair, carefully removing strands from Tara's defiant face until the defeated girl stopped her constant screaming and thrashing.

"That's right Tara, calm down, you are taking it so you might as well try to enjoy it." Mia lovingly told Tara, petting her on her head before pushing in more, causing Tara's bleached anus to give way to Mia's wide cock. This caused Tara to cry out in pain and shame, her facing turning bright red as Mia robbed her of her anal virginity. After one more push Mia forced the head of her shaft into Tara's rear end, causing the girl to scream into her gag before Mia tried to comfort the sobbing girl, "Its okay, SSH now, you have so much more to take in." Mia seductively told the thrashing girl, before pushing more into her warm and incredibly tight hole, fully sodomizing her.

"MMmmm, mm MMmmm!" Tara moaned, as inch after inch of Mia's massive cock was forced deep between her soft pale checks. Tara's body, which she just got done washing, was now covered in sweat as Mia slowly forced herself into the struggling teen, bottoming out in her plush ass.

"Oh! I'm all the way in!" Mia said happily, as Tara stared back at her with hate, before Mia pulled out and slammed back into her, causing the girl's eyes to widen in pain before looking forward, not wanting to show Mia her change in expression. Mia took her shirt off and laid her thin body onto Tara's, her erect nipples rubbing into Tara's soft skin. To Tara's amazement, and alarm, she started to feel warm, almost as if she was enjoying it. In reality it was the power of the special dick Mia was granted that made anyone feel aroused, but of course Tara and Mia didn't know that. Mia started to play with Tara's large breasts, squeezing them between her fingers until she heard Tara let out a soft moan of pleasure.

"You're liking this aren't you?" Mia asked excitedly, taking the tape off her mouth, happy that she was making her unwilling partner and fantasy girl so aroused.

"No!" Tara screamed out, her facing blushing immensely, before Mia ran her long, pierced tongue from the bottom of Mia's back all the way to her neck, causing the hair on Tara's neck to stand on end from

the cold metal as she moaned loudly in pleasure, with Mia whispering in her ear when she finished.

"I'm going to fuck you hard little bitch, that's what you get for embarrassing me in front of the whole school." Mia said with lust in her voice, before she sat back up and rested her hands on Tara's large backside, pulling out before slamming back in, filling Tara's tight ass with her (wo)man hood.

"Oh fuck!" Tara cried out as her nipples got rock hard and her legs twitched, another pump caused her to cry out more, and after a few more Tara's pussy was soaking wet, her body trembling at all of Mia's touches.

"God you are so sexy Tara, I could fuck you all day!" Mia told the moaning girl who was still trying to pretend she wasn't enjoying herself, but gave

herself away when she started bucking her hips back and forth.

"No stop, please!" Tara looked back and begged with her shimmering blue eyes, all the while she was panting like a cat in heat, her large checks bouncing off of Mia's hips. Mia couldn't control herself and leaned forward and kissed the cute teen, who at first resisted before kissing Mia back, Mia's long pierced tongue working its way into Tara's mouth, Tara's tongue running across Mia's braced teeth, both girls were nearly finished.

"Oh I'm goanna cum, I'm goanna cum right in your ass!" Mia told the girl, who was crying loudly in a mixture of shame and pleasure as her pussy was dripping wet, before one final push into her rectum caused the girl to scream and her pussy to explode with juices, as Mia pumped her potent seed deep into Tara's teen ass, filling her bowels with her spunk.

"Oh I can't believe I just came!" Tara burst into tears, as Mia, pulled her limp dick from Tara's swollen anus with a loud *pop*, before cutting Tara free.

"I can cutie." Mia laughed as she slapped Tara's large backside, which for some reason didn't drip with cum, despite Mia depositing a rather large amount into her.

"I guess I'll see you later baby!" Mia said laughing, before she and the butt fucked girl suddenly were transported back to the strange realm.

"But first you will see me again. So did you enjoy using your dick Mia?" The strange redhead laughed, before heading over to Tara who was still recovering from her ass pounding.

"You sodomized her Mia?" The young women asked cursorily and in shock, "You must really hate her, I mean to knock her up in her butt, granted it is an amazing ass."

"What do you mean knocked me up in my butt, who are you?" Tara asked the women in fright.

"Yeah what do you mean? I fucked her in her ass so she wouldn't get pregnant." Mia cut in, seemingly just as worried as Tara.

"I'm a demon named Mayra little girl, and Mia, I never said which hole, I told you my dick would get anyone pregnant, you could have knocked a man up if you wanted, but instead you knocked up this cute

little girl, and in her ass to boot!" Mayra said laughing, before turning to Tara who now looked terrified,

"Sorry honey, I'm afraid Mia here has made you the first women to be pregnant in the butt."

"No, you're lying! That's impossible!" Tara cried out, as Mia stood there with shock on her face, realizing the full extent of what she did to her crush.

"Afraid not, and don't get mad at me, Mia is the one who knocked you up." Mayra calmly explained to Tara, before turning to Mia, "And I will need my gift back." And with a snap of her fingers Mia's dick disappeared and reappeared onto the other worldly women.

"I can't be pregnant! I am just a high schooler!" Tara wailed, before Mayra snapped her fingers and Tara suddenly was strapped to a table, nude, her hands tied out in front of her and her ass tangling off the edge, her thick legs tied down so they were spread shoulder length apart. Tara also now had an oversized blue ball gag in her mouth, causing her cries to be muffled as drool started to drip from her full lips.

"Don't worry, your pregnancy will only last an hour, that is once Mia here finishes the ritual." Mayra said before snapping again, Mia's outfit changing into that of a skanky Halloween nurse, complete with short skirt, long socks and plastic boots, long rubber gloves, and of course a nursing cap. Mia barely had time to examine her new outfit before another snap of Mayra's fingers caused Mia to suddenly be holding a large egg, four inches across at its widest point.

"My sperm is sealed in her ass but, at last, there are no eggs in one's rectum, so you will have to force my 'special' egg in her and help with the delivery,

nurse." Mayra said, clearly enjoying toying with the two girls, "If you don't, I can always just have her knock you up in the ass, I bet she wouldn't mind either, now would you Tara."

"No I'll do it!" Mia cried out before Tara could even moan.

"Then get to it." Mayra said impatiently, not wanting to wait much longer for her precious "baby".

"I didn't know you would become pregnant Tara I swear! I have no choice now you know, I hope we can be friends afterwards." Mia tried to explain to Tara, whose face was red with a mixture of rage, sorrow, and shame. Tara was drooling profusely as she continued to scream into her gag at Mia, that is until Mia started to approach the girl with the large egg in hand. Upon doing this Tara immediately calmed down and started starring at Mia with her blue puppy dog eyes, begging her not to do what she was about to do as best as she could through her gag. But Mia had no intention of being knocked up in her ass, and moved behind the tied down teen, whose struggled in vain against her strong bindings, before she felt one of Mia's hands on her butt check, causing Tara to turn around to see Mia directly behind her, holding the large egg in her other hand.

"MMMmmm MMMMmmmm!" Tara cried out, as Mia spread her round ass to reveal her sore anus, which was packed with the still warm goo of Mayra's seed.

"Sorry Tara, this might hurt a little bit." Mia said in a sympathetic voice as she pushed the large egg against Tara's tight and flexing hole, who was moaning and groaning loudly in panic.

"Relax Tara, if you fight it will only hurt more," Mia said grunting, having trouble forcing the rather large egg into such a small hole. Tara on the other hand was crying like a child, clenching her anus as hard as she could.

"God you are tight!" Mia said in amazement, as she took her free hand off of Tara's large soft check and placed it behind the egg, pushing with all her might as Tara's body flexed and shock visibly with effort, she was giving it her all to prevent herself from being rectally impregnated.

"Get in there damn you!" Mia yelled annoyed while Tara was staring straight ahead moaning loudly in protest, her eyes wide open as she continued to try and keep her hole shut. Mia then leaned her body weight behind the egg, proving too much even for Tara's ultra tight hole, breaking down Tara's back door all at once. The amount of force Mia used caused not only the egg to be fully inserted into Tara's rectum, it caused Mia to accidentally double fist the girl, shoving half of her forearms into Tara's anal cavity. This caused Tara to scream at the top of her lungs and flop about uncontrollably, her large checks shaken like Jell-O as her anus was spread six inches wide in just a moment.

"Jesus Mia I said put the egg in her, not both your arms you psycho! You must really hate her, not even I would do something that evil!" Mayra said with a mixture of shock and and genuine admiration.

"No it was an accident! She wouldn't relax her ass!" Mia said defensively, as she slowly pulled her arms from Tara's devastated rectum.

"How do you feel Tara? A little cramped?" Mayra asked the now sobbing girl, her ball gag barely able to contain her cries of pain, her once tight little butthole was now bruised, swollen, and ripped in a few places.

"Here let me help." Mayra said with a snap of her fingers, freeing the poor teen from the table, as Tara suddenly found herself standing up. The presence in her ass made it impossible to stand up straight and soon her knees were knocking together as she felt her bruised and purple anus with her hands, before slowly, and with great effort, walking over to Mia, wrapping both her arms around her neck like she was hugging her, before looking Mia in the eyes and weakly whispering "Help" before she grunted loudly as her stomach started to bubble and expand at a rapid rate.

"Looks like the pregnancy took hold, good job Mia!" Mayra said holding up a high five to Mia, to which Mia simply ignored, "What no high five? This is what we both wanted, you got to fuck your little crush and I get my pet snake, now you are telling me that you aren't happy with it?" Mayra said innocently, as if she was the victim for not receiving a high five.

"How big is she going to get?" Mia asked, as she held the moaning girl whose stomach now looked like it was at five months.

"Well I did want an anaconda...so I would say a lot bigger," Mayra said, pretending to put her hands in her pockets before looking down at her feet and kicking them.

"Why didn't you just buy one, you have magical powers after all!?" Mia yelled at Mayra, whose expression quickly changed from one of innocence to anger.

"Hey that is no ordinary anaconda in her butt, it is a magical one, when it eats someone I get their powers and memories, very helpful for a demon looking to move to the top of the food chain, you wouldn't understand mortal." Mayra angrily said, putting extra emphasis on the word 'mortal' as if she was using it as an insult.

"Oh my god she is huge!" Mia said when she looked back down at Tara, who's gurgling belly now looked like it had a beach ball in it. Mia, unable to support the growing girl, laid her town on her back, as Tara continued to bubble and moan in pain, her stomach stretching thin and her belly button popping out as she grew and grew. After about half an hour she was finally done growing, but now she looked like she had a full grown person in her tummy. Tara rubbed her hands on her massive girth and found herself unable to touch the top of her towering mass.

"YYYeeeaaahhhh it comes out full grown, sorry Tara." Mayra told the devastated teen, as Mia watched on in amazement.

"OHHHHHhhhhhh!" Tara moaned loudly, as she brought her feet in close to her body and spread them wide in the traditional birthing position, before another loud moan and grumble of her body caused a massive explosion of fluids to shoot out from her swollen bottom.

"Was that her water breaking?" Mia asked confused.

"Sure was, better go help her with her delivery nurse." Mayra said pointing between Tara's legs, as Mia went over and sat down between them,

spreading the girls checks to reveal her bulging asshole.

"Okay Tara you need to push, breath in and out." Mia instructed the sobbing blonde teen, whom she was unable to make eye contact with due to Tara's massive belly.

"UGGHHH!" Tara screamed, as her legs curled in closer and shook with effort as she pushed with all her might, her body going lax when the head of the giant snake pushed through her hole, spreading the girl a good four inches.

"Keep pushing, keep pushing!" Mia told her, as Tara grunted and flexed her body, relaxing after pushing another few inches of the snake out of her bottom.

"My fucking ass!" Tara cried, before a contraction in her body pushed more of the giant snake from her rear end, and she still had much more too go. For a good ten minutes Tara pushed the long snake from her rectum, scratching the floor with her nails and kicking her feet in pain, panting like an animal as her anus reached six inches when the main body of the serpent passed through her stretched anal ring.

"How much more is left?" Tara wailed, her make up fully smeared and her face winced in constant pain, all the while Mayra watched on bored, wanting nothing more than for her magical snake to be fully born.

"You're only half as big as you were before, and this snake is well over ten feet already," Mia said concerned, as the snake slithered about, pulling more of itself out of Tara's rectum even when the contractions didn't force her too.

"It's so big!" Tara exclaimed when she saw the snake slither towards her. Despite coming out of her ass

Tara felt compelled to give the snake a pet even as she continued her painful and tiring labor.

"Don't touch it!" Mayra cried out, apparently infuriated that she even touched her precious pet.

"Or what?" Tara said, petting the snake lovingly as it showed affection back by rubbing against her.

"It's my snake! Don't get it to imprint on you!" Mayra screamed, approaching the bloated girl with rage in her face before she heard the snake hiss loudly at her, apparently it didn't like Mayra yelling at its mommy.

"What's happening?" Mia asked, as Mayra looked dumbstruck, not sure what to do, before changing her tone completely to one of kindness.

"Listen, Tara, that is my snake, please let me have it, I can still get it to imprint on me and do my bidding, you have no need for a magical snake immune to a demon's powers anyway mortal." Mayra said as tenderly as possible, approaching the snake with a hand stretched out in an attempt to pet it.

"NO!" Tara screamed out, as the snake apparently was in sync with her and wrapped itself around Mayra's arm, slinking its way up her as more and more of the creature emptied from her bowels.

"Tell it to stop, please Tara, I can even repair your anus when you are done, I don't even want the snake anymore, just let me go." Mayra pleaded, as the snake quickly wrapped around the demon girl and stopped, its head next to Mayra's.

"Why do that when I can simply get your powers?" Tara asked the demon girl calmly, "You did say the owner gets the powers of anything it eats right?"

"No I was lying mortal, us demons like to joke! Please tell it to stop!" Mayra begged, she looked like she was on the verge of tears.

"Boy!" Tara said with authority, the snake quickly turning to look at her, "Eat this bitch."

"NO!!!" Mayra screamed out, as the snake quickly opened its mouth and swallowed Mayra's crying head, before slowly working its way down, swallowing the rest of the thrashing demon in no time at all.

"Good boy!" Tara said happily, the snake now finally out of her gaping and swollen anus, "Now lets see if she was telling the truth." Tara said with a snap of her finger, her anus instantly being repaired in a second, before turning her gaze on Mia, who was backing away in fright.

"Listen Tara I'm sorry, can't we just forget about all this?" Mia asked, getting on her hands and knees as she kowtowed for forgiveness.

"You raped me in the ass, then while impregnating me you double fisted me, I'll forgive you since this snake is so cool, but only after this." Tara said threateningly, snapping her fingers before Mia was instantly nude and in stocks, her head and hands stuck between the wood, she was forced to bow over at a 90 degree angle, her small brown ass and sex exposed.

"Boy!" She turned to the snake, who instantly obeyed her commands, "Go through her ass and out her mouth, as quickly as possible, and don't bother being gentle."

"No please! I'll do anything I swear!" Mia cried, as the snake slithered up her leg before pushing its snout into her untouched anus.

"Fine, then I'll make you a deal, you suck my dick, and I won't send my snake up your ass, deal?" Tara asked, extending her hand to Mia's bound one, who quickly shook it in agreement, "Good, its settled Mia!" Tara said happily, "So open that mouth of yours as wide as you can." Tara said lovingly, stroking her hands across Mia's admittedly cute Asian face, before Mia opened her mouth reluctantly, revealing her braced teeth and pierced tongue.

"God your mouth looks so inviting, now just keep it open as wide as you can Mia," Tara teased, as Mia opened her mouth all the way, before Tara snapped her finger and a ring gag appeared in Mia's mouth, keeping it wide open, causing Mia to drool all over the place.

"You know Mia, I really like this snake, I think I want another." Mia said with a laugh, snapping her fingers and causing a large egg to appear in her free one, the same kind that Mia shoved up Tara's ass.

"MMMMmmm! MMMMmmm!" Mia cried, as Tara placed the large egg in Mia's drooling mouth.

"Now I just have to put it in!" Tara said with a smile as Mia looked up at, her brown eyes full of fear. Tara lining her massive dick against the egg before grabbing Mia by her long black hair with both hands and shoving her dick in as fast and hard as she could, causing Mia's eyes to go wide in shock as she was forced to swallow the massive egg all at once, before Tara's dick forced its way down Mia's throat until she bottomed out, the thrashing, skinny Asian beneath her gagging strongly.

"Whoops, it was an accident, just like how you stuck both your hands up my ass." Tara said in a fake voice of forgiveness, all the while Mia was sobbing and chocking loudly on the massive dick stuck down her narrow throat.

"I'll be fast Mia, don't worry." Tara said laughing, as she started to throat fuck the bound girl, causing her to gag and drool all over herself and Tara's massive dick, "That's right, take it bitch, you are going to give me another snake aren't you." Tara lovingly said, clearly enjoying her new powers as she fucked Mia's throat raw, before placing her hands on top of her head and bottoming out as deep as she could, ejaculating a massive load directly into Mia's stomach, causing her thin frame to swell slightly from all the cum.

"Good girl!" Tara said petting the sobbing girl, pulling her limp dick from Mia's mouth who quickly fought to catch her breath after such an intense throat pounding.

"Now even I know that you can't give birth through your mouth, plus the egg is going to pass through your digestive system anyway," Tara said, dragging a finger from the top of Mia's head all the way to her butt, before giving it a good slap, "So I will just have to cum in her too." Tara said

smiling, before getting behind the girl, whose legs were kicking and moving wildly in an attempt to avoid Tara's dick.

"That won't work Mia," Tara said laughing, snapping her fingers, causing a spread bar to appear on

Mia's feet, spreading her feet so wide that her legs made an upside down V.

"Now, that asshole of yours sure is small, but I think it can be smaller don't you?" Tara said with a snap of her fingers, causing Mia's unbleached quarter sized asshole to shrink to the size of a dime, her insides shrinking to match as well, "And I think it can be much more sensitive, how about ten times more sensitive, and I don't mean to pleasure either," She said before leaning over onto Mia, "I mean to pain."

And with a snap of her fingers Mia's anus and rectum filled with ten times as many nerves, all of them pain receptors.

"You think you can fuck me in the ass and get away with it?" Tara said with contempt, slapping Mia's ass hard, leaving a hand print, before grabbing onto her small checks and spreading them.

"MMmmm! MMmmm!" Mia cried through her gag, trying her best to say no and that she was sorry, but Tara didn't care if she was, she just wanted revenge.

"Let's see just how tight it is." Tara said with lust before sticking a finger in Mia's asshole, which caused the bound girl to thrash about and cry as if she just had a twelve inch dick shoved in it, which was about to happen shortly.

"Oh you are tight Mia! Good thing you lubed my dick up with all your drool." Tara said with faux kindness, before snapping her fingers, causing her dick to be suddenly dry, "Opps, looks like you are taking it dry, just like I did!" Tara said with a tone of anger, grabbing Mia by her shoulders before quickly lining her dick up behind Mia's ultra tight, small, and sensitive hole, causing the teen to start crying with renewed vigor.

"Mmmm MMMmmm!" Mia cried in desperation, before Tara stopped her advance for a second.

"What's that? You wants some lube?" Tara asked the cute little brown teen, who quickly nodded and moaned yes.

"Alright, if you insist little girl." Tara said, snapping her fingers before her dick was covered in extra strength hot sauce and poison ivy, "Say good bye to your butthole Mia." Tara said with contempt before placing her massive dick against Mia's small hole, who tried to lean forward when she felt what was on her dick.

"That's right Mia, I lubed my dick for you with some hot sauce and poison ivy, enjoy having a ripped, itchy, bruised, burning asshole, you fucking bitch." Tara told the wailing girl.

"Don't cry, you always wanted to have sex with me, and now you are!" Tara yelled, shoving her dick in as hard as she could into Mia's virgin anus, causing her to wail in agony as she felt like she was being impaled, nearly passing out from the pain before Tara bottomed out.

"I think I will take my time too." Tara whispered in Mia's ear, before pulling all the way out and shoving herself back in, causing Mia to thrash and cry as if she was being killed, her rectum and anus burned from the hot sauce and she was actually hoping Tara would bottom out again in order to scratch her insides. Tara complied over and over, pounding Mia's back end so hard that her ass checks got bruised from the effort, as Mia was sodomized repeatedly.

"Don't worry, I remember you letting me cum, I will fuck you until you cum too." Tara sadistically said, scratching up Mia's back with her long nails as she continued to pound the sobbing, drooling teen for a good ten minutes until Mia started to actually feel aroused, letting out a loud moan of pleasure over her constant crying.

"That's right, you better get used to it, from here on out you are my ass slave, after you give birth to my baby I will repair your anus and butt fuck you over and over again, each time making your asshole smaller than the

last." Tara said with a maniacal laugh, clearly corrupted by the immense power she now had. Mia was now soaking wet, her pussy dripping as much as her mouth. After a few more minutes of painful/pleasurable pounding both Mia and Tara came, Tara pushing her dick in as much as she could as she sprayed Mia's bowels full of her spunk.

"Good girl!" Tara said with satisfaction, as she pulled herself from Mia's red, swollen, and agape anus, her backside bruised and scratched up from the vicious fucking she had received, before her itchy and burning rectum started to bloat quickly and immensely.

"I'll be back in a bit, I except to have a second snake by then, and don't worry, I'll leave my snake here to keep you company. Boy!" Tara said turning to the snake, "If she even tries to bond with the new snake, I want you to bite her clit off before going into her ass, understand?" Tara said in a commanding voice, to which the snake shook its head in agreement before turning its attention to the rapidly bloating teen.

"Good, Ciao Mia, enjoy being a mommy, and get comfy, you are never getting out of those stocks again!" Tara aggressively said, snapping her fingers to leave the traumatized girl to her long and painful rectal pregnancy.

The End.
